COMMISSION

EEOC FORM 168A, ELEMENTARY-SECONDARY STAFF INFORMATION (EEO-5)

INSTRUCTIONS FOR FILING AND RECORDKEEPING REQUIREMENTS
(Definitions of Terms and Categories are Located in the Appendix)

Federal law authorizes the Equal Employment Opportunity Commission (EEOC) and the Office for Civil Rights (OCR) of the U.S. Department of Education (ED) to prescribe such records and reports as are necessary for the enforcement of the Civil Rights Act of 1964, as amended. Accordingly this report is required by the OCR/ED to ensure compliance with Title VI of the Act and is required by EEOC under Section 709(c) of Title VII. Every employer subject to this Title shall keep such records and submit such reports as required by the EEOC.

This compliance reporting system is being implemented as a joint effort between EEOC and OCR/ED for the collection of employment data of public elementary and secondary school systems or districts. The applicable laws and regulations promulgated pursuant to such laws by EEOC and the OCR/ED are reprinted in Section 4 of the Appendix.

1. RECORDKEEPING AND FILING REQUIREMENTS

Every public elementary and secondary school system or district—including every individually- or separately-administered district, with 15 or more employees within a system; and every individual school, regardless of its size, within such system or district—is required to make or keep all records necessary for completing and filing the report EEO-5, whether or not it is required to file the report in any particular year.

Biennially, in the even numbered years, EEOC will determine which of these systems, districts, and schools will be required to file report EEO-5, and will notify them of that fact.

A report must be filed covering the employment data of all the administrative and other functions of the system or district and the combined employment data of all the schools and annexes within the system or district, regardless of the employment size of individual schools or annexes.

2. WHEN TO FILE

Employment statistics must cover the payroll period closest to October 1 of the reporting year and the report must be filed no later than November 30.

3. WHERE TO FILE

The completed report should be forwarded to the address indicated on the form or in the cover letter. EEO-5 reports can also be filed electronically by going to EEOC's On-line System for the EEO-5 at <https://egov.eeoc.gov/eeo5>.

4. HOW THE FORMS WILL BE DISTRIBUTED

Forms will be distributed by EEOC using two methods: (1) direct mail to the school system or district, and (2) indirect mail to the school system or district through the State Education Agency. The indirect mail method is a special reporting procedure. This method will only be used in those states in which the State Education Agency agrees to the special procedures set forth by EEOC for such transmittals.

The school system or district will retain the ultimate responsibility for its completed EEO-5 report. EEOC will inform the school system or district if it is in an indirect mail state. The reports from indirect mail states may be certified within the system or district at the state level if prepared by the state.

5. REQUIREMENTS FOR INFORMATION AND SPECIAL PROCEDURES

A school system or district that believes that preparation or the filing of report EEO-5 would create an undue hardship may apply to EEOC for leave to use a special reporting procedure, submitting a written, alternate proposal for preparing or reporting the required information. Computer printouts and diskettes are special reporting

procedures. See Section 11 for general guidelines to be used in their preparation.

Only those special reporting procedures approved in writing by EEOC are authorized. Such authorization will remain in effect until written notification of cancellation is given by either party.

Direct all requests for special reporting procedures to: The EEO-5 Coordinator, EEOC Program Research and Surveys Division, 131 M St., NE, Washington, D.C. 20507. No other address is valid for these requests.

6. INSTRUCTIONS FOR FILING EEO-5

A. TYPE OF REPORT

EEOC Form 168A is the aggregate report for the entire school system or district. The report for the school system or district must provide summary data for all personnel employed by the school system or district either full-time or part-time, regardless of the location of the person's assignment to a school or other unit of the school system or district. Full-time personnel must be reported in Part II-A of the report; part-time personnel are to be reported in Part II-B. It is important to note that if a person is employed on a full-time basis by the school system or district, but assigned to one or more schools on a part-time basis in each, that person must be reported as a full-time employee on EEOC Form 168A.

B. DATA TO BE REPORTED

PART I - IDENTIFICATION INFORMATION

A. Type of Agency Which Operates the Reporting School System or District.

Check the agency which operates the reporting unit (School System or District) and which has the responsibility or ultimate authority for the employment or dismissal of a member or members of the staff.

B. School System Identification

This section may be omitted if the address information on the preprinted label is correct. If the preprinted address is incorrect, please provide the correct mailing address in this section.

C. General Statistics/School Information

General Statistics (EEOC Form 168A)

Enter the total number of schools and separate teaching facilities or annexes operated by the school system or district. Also enter the total enrollment as of October 1 of the current year or the nearest date when enrollment is stabilized.

PART II – STAFF STATISTICS

This part of the report will reflect, for the given payroll period, the number of employees who are full-time, part-time and full-time new hires by activity assignment classification as shown in the stub of the matrix. The total for each activity assignment classification should be reported in column A. The totals must be further tabulated by sex for each of the designated race/ethnicity categories in columns B through K. Be sure to give the actual date of payroll used for your report.

A. Full-Time Staff (See Section 2 of Appendix for definitions of assignment classifications)

Lines 1-19 should include all full-time employees, except for elected and certain appointed officials (as explained in the definition of "Employee" in section 1 of the Appendix). Include in these statistics all full-time employees of the system or district whether or not they are assigned part-time to one or more schools. With the exceptions of persons required to be reported on line 9, *Psychological*, report employees having multiple activity assignments, such as teacher-counselor or similar combinations as is frequently the case in guidance, library, audiovisual, etc., as full-time in the assignment in which they spend at least 51 percent of the time. If the employee spends exactly 50 percent of the time in one of two assignments, report him or her as full-time in the more critical one. If the time is distributed between more than two assignments, report the employee as full-time in the one in which he or she spends the major portion of the time or in the more critical one if the time is evenly distributed.

B. Part-Time Staff

Lines 20 through 22 should include statistics for all part-time employees.

C. Full Time New Hires

Lines 23-28 should include the number of full-time new employees who appear on the payroll for the first time between July 1 and October 1 of the survey year, for each of the assignment classifications listed. Use the definition of full-time shown in the Appendix for reporting new hires in school systems and districts. Do not report as a new hire an employee who has been on sabbatical or any other type of leave which is not considered a break in service, nor should anyone involved in a change in job category or promotion be reported as a new hire.

New hires must also be counted in part A, Full-Time Staff.

7. PRESERVATION OF RECORDS MADE OR KEPT

The EEO-5 report requires the combining of some data. Separate employment data by sex and race/ethnicity identification in those job categories should be maintained on site in such manner as is required in the EEO-5 report, and should be available upon request to representatives of Federal Agencies. Copies of the submitted EEO-5 report must be retained for a period of 3 years.

8. CERTIFICATION

Certification of EEOC Form 168A should be made by a school official. Documents in support of the certification should be maintained at the central office.

Enter the telephone number (include area code and extension, if any), email, name, title, and signature of the school district official who is responsible for the report and can answer questions about it. The EEOC General Counsel has approved rubber stamp signature reproductions as legally valid for the EEO-5 survey forms. If your district uses a rubber stamp, please be sure to stamp all copies before returning them to EEOC.

9. PUBLICATION OF EEO-5 DATA

The two organizations that sponsor EEO-5 operate under different legislative authorities and have different plans for publication.

Within these limitations, both organizations may publish or otherwise make available statistics combining school systems into geographic aggregates, such as States, regions, etc.

As restricted by Section 709(e) of the Civil Rights Act of 1964, the EEOC will not publish any data other than such aggregates.

The Office for Civil Rights may, as in some of its previous surveys, publish privacy-protected data by school system or district.

10. REQUEST FOR FORMS AND INSTRUCTION BOOKLET

Copies of EEOC Form 168A and the Instruction Booklet may be ordered from EEOC at the address printed in the cover letter, from the designated State Liaison Officer, or obtained at <https://egov.eeoc.gov/eeo5>.

11. SUBMISSION OF COMPUTER PRINTOUTS AND DISKETTES

Computer printouts and diskettes may be submitted in lieu of the standard EEO-5 survey form as a special reporting procedure. A school district or system or State Education Agency must have written approval of its printout or diskette format *before* the printout is submitted in fulfillment of EEO-5 filing requirements. The following guidelines must be adhered to:

- a. The print format designed by EEOC must be used. A copy of the format may be obtained from the following address:

The EEO-5 Coordinator
EEOC-Program Research and Surveys Division
131 M Street, N.E.
Washington, D.C. 20507

Test output must also be mailed to this address

- b. Each printed report must be individually signed or signature stamped as if it were a standard survey form.
- c. The original and one copy of the printed report must be filed.
- d. The school district or system must keep one copy of its report on file as required by Chapter XIV, Title 29, Code of Federal Regulations, Section 1602.41.

Print formats other than those approved by EEOC will not be accepted.

12. ESTIMATE OF BURDEN

Public reporting burden for this collection of information is estimated to average two and a half (2.5) hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. A response is defined as one survey form. Send comments regarding this burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden to:

Unless the collection displays a currently valid OMB control number, respondents are not required to fill out this form.

The full text of the OMB regulations may be found at 5 CFR Part 1320, or Federal Register, vol. 60, no. 167, Tuesday, August 29, 1995, page 44978.

PLEASE DO NOT SEND YOUR COMPLETED REPORT TO THE ABOVE ADDRESS.

3. RACE/ETHNICITY IDENTIFICATION

As to the method of collecting data, the basic principles for ethnic and racial self-identification for purposes of the EEO-5 report are:

- (1) Offer employees the opportunity to self-identify. Self-identification is the preferred method of

identifying the race and ethnic information necessary for the EEO-5 report. Employers are required to attempt to allow employees to use self-identification to complete the EEO-5 report.

(2) Provide a statement about the voluntary nature of this inquiry for employees. For example, language such as the following may be used (employers may adapt this language):

"The employer is subject to certain governmental recordkeeping and reporting requirements for the administration of civil rights laws and regulations. In order to comply with these laws, the employer invites employees to voluntarily self-identify their race or ethnicity. Submission of this information is voluntary and refusal to provide it will not subject you to any adverse treatment. The information obtained will be kept confidential and may only be used in accordance with the provisions of applicable laws, executive orders, and regulations, including those that require the information to be summarized and reported to the federal government for civil rights enforcement. When reported, data will not identify any specific individual."

(3) If an employee declines to self-identify, employment records or observer identification may be used.

Where records are maintained, it is recommended that they be kept separately from the employees' basic personnel file or other records available to those responsible for personnel decisions.

Race/Ethnicity designations as used by EEOC do not denote scientific definitions of anthropological origins. Definitions of the race and ethnicity categories are as follows:

Hispanic or Latino - A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin regardless of race.

White (Not of Hispanic origin) - All persons having origins in any of the original peoples of Europe, North Africa or the Middle East.

Black or African American (Not Hispanic or Latino) - A person having origins in any of the black racial groups of Africa.

Native Hawaiian or Other Pacific Islander (Not Hispanic or Latino) - A person having origins in any of the peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

American Indian or Alaska Native (Not Hispanic or Latino) - A person having origins in any of the original peoples of North and South America (including Central America), and who maintain tribal affiliation or community attachment.

Two or More Races (Not Hispanic or Latino) - Persons who identify with two or more racial categories named above.

Instructions for assigning employees into the race/ethnicity categories:
